

# GrapeVyn Terms and Conditions

GrapeVyn is a web3-inspired social media platform for creating and showcasing NFTs. The site provides tools for users to turn textual content into NFTs.

When we mention “NFT” (Non-fungible Token), we are referring to the blockchain asset defining the NFT.

When we mention “services”, we are referring to GrapeVyn.

By using GrapeVyn, you are agreeing to the following terms:

## General

GrapeVyn is intended for a mature audience and must not be used by persons under the age of 18. GrapeVyn is based on web3 technology, and you must understand that your capital is at risk. GrapeVyn does not take responsibility for any capital losses that you obtain.

## Your wallet

In order to use our service, you must contain a web3 Ethereum wallet. You are responsible for keeping your wallet secure.

## Your content

GrapeVyn gives users the ability to turn text into NFTs. Due to the nature of NFTs, you must accept ownership of these assets and the content that you create. GrapeVyn does not support, represent, or endorse any of the content created on our service. GrapeVyn does not take responsibility for any offensive, harmful, or malicious content that you create.

You must agree to take full responsibility of your content and must understand that you could face legal action if your content contains any misappropriation, unlawful conduct, harassment, or impersonation. Your content can also impact your employability.

You understand that your content can be viewed by everybody on the website and that you may be exposed to content that is deemed offensive or harmful.

You are responsible for making sure your content does not violate any copyright or trademark laws.

## **Our content and the content of others**

GrapeVyn gives you access to content owned by us. We retain any intellectual property rights to any content created by us. Your use of our content is subject to these terms and can be used if it is within the scope of our services.

GrapeVyn also gives you access to content owned by other people and organisations. Unless otherwise allowed by the law, you may not use any content owned by other people or organisations without the owner's permission.

## **License to use your content**

By using our service you grant GrapeVyn a worldwide, non-exclusive, royalty-free license (with a right to sublicense) to host, use, publish, display, copy, perform, reproduce, distribute, reformat, translate, communicate, modify, or otherwise use your content (including your NFT, text, and other content you provide) to operate, improve, develop, and promote our service.

## **Fees**

When you sell an NFT, we will take a small percentage of the sale in the form of a sales commission. This percentage will be clearly communicated to you.

## **Immutable X**

GrapeVyn uses services provided by Immutable X. In order to use our services, you must also agree to the terms and conditions outlined by Immutable X, which can be found here, <https://support.immutable.com/hc/en-us/articles/4404514460303-Immutable-X-Protocol-Licence-Agreement>.

**Effective:** May 25, 2022
